

UEF Law School, in cooperation with the UEF Centre for Climate Change, Energy and Environmental Law, ELRF and PEEER, is pleased to announce the call for papers for its 2015 international and European energy law and policy conference "ENERGY TRANSITIONS".

The event will take place on 26 and 27 February 2015 in Joensuu, Finland.

The planned sessions include:

- Developments in EU energy law and policy
- Shale gas: regulatory developments
- Upstream petroleum in Europe and internationally
- Low carbon energy: Renewable energy and Nuclear energy
- International energy disputes
- Energy finance: recent issues and challenges
- Energy Justice: its emergence and the key issues in the EU, the Arctic and Developing Countries (session hosted by Dr. Raphael Heffron (University of Leeds) and Darren McCauley (University of St. Andrews)).

Paper submission:

An expression of interest should:

- . take the form of a title and an abstract (100 - 200 words) and
- . indicate the name, institutional affiliation and contact details of the author.

The deadline for expressions of interest is **1 November 2014**.

Papers should:

- . be in the range of 5 000 to 8 000 words (20 pages max);
- . indicate the name, institutional affiliation and contact details of the author.

The deadline for submission of papers is **1 February 2015**.

Both expressions of interest and the papers should be sent to:

sirja-leena.penttinen@uef.fi

Social program: After the event, there is a possibility to spend the weekend (28 February) at a ski and spa resort at Koli. More information available at www.koli.fi/en/. Transportation provided by the organizer. Spouses welcome.

More information on the conference will be available at a later stage at www.uef.fi/cceel. Information can also be provided by Sirja-Leena Penttinen at sirja-leena.penttinen@uef.fi.

Limited financial support is available for early career researchers.

The organizers would also like to invite lawyers, members of the industry, academics, regulators, etc to join us and follow the event in Joensuu. Thanks to the kind support of Academy of Finland (Impact of shale gas in EU energy law and policy; regulatory and institutional perspective, UEF Law School) the attendance is free of charge.
